

SPRUCED UP... Rekatuma Early Learning Centre in Kanana was refurbished by RCDT.

Investing in our children

Rustenburg Community Development Trust (RCDT) has improved the learning experience at two early childhood development (ECD) centres in Kanana.

The project, spearheaded by RCDT to beautify and refurbish the classrooms, ablution facilities, and play areas at Rekatuma Early Learning Centre and St Anthony's Pre-School was recently officially handed over to the Department of Education and Sport Development.

"Investing in the young is investing in our future," RCDT chairperson Nthabiseng Matsobane said, underlining the importance of supporting ECD centres.

RCDT trustee Tebogo Menyoko highlighted the positive impact on the children: "A welcome face attracts kids, creating a stimulating environment for learning."

Royal Bafokeng Administration (RBA) councillor Richard Ntsimane said these timely interventions will benefit learners that pass through the doors of these two pre-schools for many years to come.
